EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**ITEM NO. 3**

On the recommendation of the Nomination & Remuneration Committee, the Board of Directors had appointed Ms. Saloni Jain (DIN: 07361076) as an Additional Director w.e.f. 29th June, 2020. Pursuant to Section 161 of the Companies Act, 2013, Ms. Saloni Jain holds office up to the date of the ensuing Annual General Meeting. The Company has received an intimation from a member of the Company conveying his intention to propose the appointment of Ms. Saloni Jain as Director in the forthcoming annual general meeting. Ms. Saloni Jain is by profession a Chartered Accountant. She has got more than 7 years' work experience as an Investment Banker. Your Directors are of opinion that association of Ms. Saloni Jain will be in the best interest of the Company.

Ms. Saloni Jain does not hold any share in the Equity capital of the Company.

The Board accordingly recommends the Resolution as at item No. 3 of this Notice for the approval of the Members as an Ordinary Resolution.

Ms. Saloni Jain and Mr. Suresh Jain (CEO) may be deemed to be interested in the proposed resolution to extent of his shareholding in the Company. None of the other Directors and key managerial personnel of the Company and their relatives is concerned or interested finically or otherwise in the proposed resolution.

ITEM NO. 4

On recommendation of Nomination & Remuneration Committee, the Board of Directors had appointed Mr. Pranav Dangi (DIN: 07361138) as an Additional Director w.e.f. 29th June, 2020. Pursuant to Section 161 of the Companies Act, 2013 Mr. Pranav Dangi holds the office up to the date of the ensuing Annual General Meeting.

Mr. Pranav Dangi is MBA in finance. He has more than six years' experience in Hospitality and Business Management. Your Directors think it prudent to have association of Mr. Pranav Dangi in interest of the Company.

Mr. Pranav Dangi does not hold any share in the Equity capital of the Company.

The Board accordingly recommends the Resolution as at Item No. 4 of this Notice for the approval of the Members as an Ordinary Resolution.

Mr. Pranav Dangi is the husband of Ms. Saloni Jain and son-in-law of Mr. Suresh Jain (CEO). Hence, they may be deemed to be interested in the proposed resolution to extent of the shareholding of Mr. Suresh Jain in the Company. None of the other Directors and key managerial personnel of the Company and their relatives is concerned or interested finically or otherwise in the proposed resolution.

ITEM NO. 5

On recommendation of the Nomination & Remuneration Committee, Mr. Srivardhan A. Khemka (DIN: 08942106) was appointed as an Additional Director (Independent) w.e.f. 11th November, 2020. Pursuant to Section 161 of the Companies Act, 2013 Mr. Khemka holds office up to the date of the ensuing Annual General Meeting.

Section 149 and Section 152 inter alia specifies that:

(a) Independent Directors shall hold office for a term of upto five consecutive years, and shall be eligible for re-appointment for a further period of five years, subject to passing of Special Resolution by the Shareholders in General Meeting; and

(b) An Independent Director shall not be liable to retire by rotation at the AGM.

In the opinion of the Board Mr. Srivardhan A. Khemka (DIN: 08942106) is a person of integrity, possesses the relevant expertise and experience, fulfils the conditions specified in the said Act and the rules made there under and is independence of the management of the Company. Mr. Khemka is BMS from Mumbai University and has about three years' experience in pharma industry.

Draft letter of appointment proposed to be issued to Mr. Srivardhan A. Khemka on his appointment as Director, stipulating terms and conditions of his appointment is available for inspection by the Members at the Registered Office of the Company during normal Business Hours on any working day. The Company has also received declaration from him that he meets with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under Listing Regulations.

The Board accordingly recommends the Resolutions at Item No. 5 of this Notice for the approval of the Members as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise, in the Resolution at Item No.5 of this Notice.

ITEM NO. 6

On recommendation of the Nomination & Remuneration Committee, Mr. Vaibhav P. Bhandari (DIN: 07492925) was appointed as an Additional Director (Independent) w.e.f. 11th November, 2020. Pursuant to Section 161 of the Companies Act, 2013 Mr. Vaibhav P Bhandari holds office up to the date of the ensuing Annual General Meeting.

Section 149 and Section 152 inter alia specifies that:

(a) Independent Directors shall hold office for a term of upto five consecutive years, and shall be eligible for re-appointment for a further period of five years, subject to passing of Special Resolution by the Shareholders in General Meeting; and

(b) An Independent Director shall not be liable to retire by rotation at the AGM.

In the opinion of the Board Mr. Vaibhav P. Bhandari (DIN: 07492925) is a person of integrity, possesses the relevant expertise and experience, fulfils the conditions specified in the said Act and the rules made there under and is independence of the management of the Company. Mr. Vaibhav Bhandari is Commerce Graduate from Mumbai University. He has passed C.A. inter of the Institute of Chartered Accountants of India. Mr. Vaibhav Bhandari has about eight years' experience in accounts and finance.

Draft letter of appointment proposed to be issued to Mr. Vaibhav P. Bhandari on his appointment as Director, stipulating terms and conditions of his appointment is available for inspection by the Members at the Registered Office of the Company during normal Business Hours on any working day. The Company has also received declaration from him that he meets with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under Listing Regulations.

The Board accordingly recommends the Resolutions at Item No. 6 of this Notice for the approval of the Members as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise, in the Resolution at Item No.6 of this Notice.

ITEM NO. 7

Mr. Soketu J. Parikh and Concord Capitals Pvt. Ltd both together are holding 10,000 shares in the equity capital of the Company. After take-over of the Company by Mr SureshKumar P. Jain alongwith Mr Pranav Dangi (person acting in concert) and completing the requisite formalities under Regulations 3(1) and 4 read with Regulation 15(1) of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, the management of the Company really lies under the control of Mr Jain and Mr Dangi and they are Promoters of the Company.

Mr. Soketu J. Parikh and Concord Capitals Pvt. Ltd. do not exercise any control over the Company and is not engaged in the Management of the Company. The Company has also not entered into any shareholders Agreement with them. Further none of them has got any veto Rights as to voting power or control of the Company. They do not even have any Special Information Rights. They have requested to the Company to remove them as Promoter/Promoter Group and reclassify them as “Public Shareholder” of the Company

In view of above, your Directors think it prudent that the names of Mr Soketu J. Parikh and Concord Capitals Pvt. Ltd. Be deleted as Promoters of the Company.

Further as per Rule 19A of the Securities Contracts (Regulation) Rules, 1957, the public shareholding as on date fulfills the minimum public shareholding requirement of at least 25% and the proposed reclassification does not intend to increase the public shareholding to achieve compliance with the minimum public shareholding requirement.

The Board of Directors recommends passing of the resolution as stated at item No.7 of the notice convening the Annual General Meeting.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned or interested financially or otherwise in the resolution.

The relevant documents in this regard are available for inspection in physically and/or electronic form, between 11.00 A.M. to 1.00 P.M. on all working days i.e. Monday to Friday, till 30th December, 2020 at the Registered Office of the Company.

Economy

Global economy is adversely affected due to COVID-19 pandemic and Indian economy is no exception. Economic activity in the financial year 2020-21 is expected to gather pace benefiting from a conducive domestic and global environment. Various incentive schemes including direct money transfer in the accounts of farmers, are expected to accelerate growth in coming years.

Industry Structure and development

Your Directors are actively considering various avenues of business. One of the preferred areas being consultancy business. With higher economic growth trajectory, consultancy business is bound to show significant growth. However, with globalization, the industry is increasingly pre-dominated by multinational consultancy firms.

Performance:

During the year under review, the Company earned an income of Rs.4,63,972/- as against Rs.11,59,224/- in previous year. The Company incurred a loss of Rs. 6,77,807/- as against a profit of Rs. 64,269/- a year ago.

Material Changes and Commitment:

There have been no material change and commitment affecting the financial position of the Company between the end of the financial year to which the financial statements relate and the date of this report.

Opportunity and Threats:

Considering the Indian macro-economic factors are in much better shape as also various stimulates being provided by the Government, it appears that the Company will have better opportunity to grow.

Future Outlook:

According to new GDP, it seems that the country is getting back to a higher growth trajectory. Jobs are being created in the service sector, that coupled with government expenditure on core infrastructure and initiative such as 'Make in India' are giving the required impetus to urbanization, which will augur well for the economy in general and your Company in particular in medium to long term.

INDEPENDENT AUDITOR’S REPORT**TO THE MEMBERS OF ALAN SCOTT INDUSTRIESS LIMITED****Report on the Financial Statements****Opinion**

We have audited the accompanying Ind AS financial statements of **ALAN SCOTT INDUSTRIESS LIMITED** (“the Company”), which comprise the Balance Sheet as at 31st March 2020 , the Statement of Profit and Loss (Including Other Comprehensive Income) the cash flow statement and statement of change in equity for the year then ended , and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “ the financial statement”).

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in emphasis of Matter paragraph the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including IND AS specified under section 133 of the Act , of the state of affairs (Financial Position) of the Company as at 31st March, 2020, and its loss (Financial Performance including Other Comprehensive income) , its cash flow and the change in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance(Including other comprehensive income), cash flow and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (IND AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease the operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure A.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of ALAN SCOTT INDUSTRIESS LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the Standalone financial statements of the Company as of and for the year ended March 31, 2020 we have audited the internal financial controls over financial reporting of ALAN SCOTT INDUSTRIESS LIMITED. (“the Company”) which is a Company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

1. Summary of significant accounting policies

1.1 Basis of preparation

The financial statements have been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013 read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs, except additional disclosures required by the Companies Act 2013 (as these financial statements are not statutory financial statements, full compliance with the above Act is not required). The said financial statements for the year ended March 31, 2020 are the first financial statements of the Company in accordance with Ind AS. Refer Note 2.3 on how the Company has transitioned to Ind AS.

The transition to Ind AS has been carried out from accounting standards notified under section 133 of the Companies Act 2013, (the 'Act') read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('IGAAP'), which is considered as the 'Previous GAAP' for purposes of Ind AS 101.

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013. Further, for the purpose of clarity, various items are aggregated in statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required.

1.2 Basis of measurement

The financial statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the Ind AS requires a different accounting treatment.

Fair value measurement

Fair value is the price at the measurement date, at which an asset can be sold or paid to transfer a liability, in an orderly transaction between market participants. The Company's accounting policies require, measurement of certain financial / non-financial assets and liabilities at fair values (either on a recurring or non-recurring

basis). Also, the fair values of financial instruments measured at amortised cost are required to be disclosed in the said financial statements.

The Company is required to classify the fair valuation method of the financial / non-financial assets and liabilities, either measured or disclosed at fair value in the financial statements, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurement). Accordingly, the Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

1.3 Basis of transition to Ind AS

The adoption of Ind AS is carried out in accordance with Ind AS 101 on April 1, 2015 being the transition date. Ind AS 101 requires that all Ind AS standards that are issued and effective for the year ending March 31, 2020, be applied retrospectively and consistently for all the periods presented. However, in preparing these financial statements, the Company has availed of certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying value of the assets and liabilities in the financial statements as at the transition date under Ind AS and previous GAAP have been recognized directly in equity at the transition date.

Ind AS 101 allows first-time adopters certain optional exemptions and mandatory exceptions from the retrospective application of certain requirements under Ind AS.

Exemptions / exceptions from full retrospective application

- (i) The following mandatory exceptions from retrospective application of Ind AS have applied by the Company :
 - a. Estimates exception - On an assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS (except for adjustments to reflect any difference in accounting policies), as there is no objective evidence that those estimates were in error. However, estimates, that were required under Ind AS but not required under Previous GAAP, are made by the Company for the relevant reporting dates, reflecting conditions existing as at that date without using any hindsight.
 - b. De-recognition of financial assets and liabilities exception - Financial assets and liabilities de-recognised before transition date are not re-recognised under Ind AS.

1.4 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

An asset is classified as current when it is expected to be realised or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realised within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

1.5 Property, plant and equipment ('PPE')

An item of PPE is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates), and any directly attributable cost of bringing the asset to its working condition and location for its intended use. In case of multiple element contracts whereby the vendor supplies PPE as well as other components, PPE is recorded on the basis of relative fair values.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and any impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognises such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognised from the balance sheet and cost of the new item of PPE is recognised. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred. However, in situations where the said expenditure can be measured reliably, and is probable that future economic benefits associated with it will flow to the Company, it is included in the asset's carrying value or as a separate asset, as appropriate.

The useful lives, residual values and depreciation method of PPE are reviewed, and adjusted appropriately, at-least as at each reporting date so as to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from these assets. The effect of any change in the estimated useful lives, residual values and / or depreciation method is accounted prospectively, and accordingly the depreciation is calculated over the PPE's remaining revised useful life. The cost and the accumulated depreciation for PPE sold, scrapped, retired or otherwise disposed off are de-recognized from the balance sheet and the resulting gains / (losses) are included in the statement of profit and loss within other expenses / other income.

The management basis its past experience and technical assessment has estimated the useful life, which is at variance with the life prescribed in Part C of Schedule II of the Companies Act, 2013 and has accordingly, depreciated the assets over such useful life.

The cost of capital work-in-progress is presented separately in the balance sheet.

1.6 Impairment of non-financial assets Property, plant and equipment

PPE with definite lives, are reviewed for impairment, whenever events or changes in circumstances indicate

that their carrying values may not be recoverable. For the purpose of impairment testing, the recoverable amount (that is, higher of the fair value less costs to sell and the value-in-use) is determined on an individual asset basis, unless the asset does not generate cash flows that are largely independent of those from other assets, in which case the recoverable amount is determined at the cash-generating-unit ('CGU') level to which the said asset belongs. If such individual assets or CGU are considered to be impaired, the impairment to be recognised in the statement of profit and loss is measured by the amount by which the carrying value of the asset / CGU exceeds their estimated recoverable amount and allocated on pro rata basis.

Impairment losses, if any, are recognized in statement of profit and loss. Reversal of impairment losses

Impairment losses are reversed and the carrying value is increased to its revised recoverable amount provided that this amount does not exceed the carrying value that would have been determined had no impairment loss been recognised for the said asset in previous years.

1.7 Financial instruments

a. Recognition, classification and presentation

The financial instruments are recognized in the balance sheet when the Company becomes a party to the contractual provisions of the financial instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company recognizes its investment in subsidiaries, joint ventures and associates at cost less any impairment losses. The Company classifies its other financial assets in the following categories: a) those to be measured subsequently at fair value through profit or loss, and b) those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

The Company has classified all the non-derivative financial liabilities in the other financial liabilities category.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognized amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

b. Measurement – Non-derivative financial instruments

I. Initial measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent measurement - financial assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial assets measured at amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost using the effective-interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial assets at fair value through profit or loss ('FVTPL')

All financial assets that do not meet the criteria for amortized cost are measured at fair value through profit or loss. Interest (basis EIR method) income from FVTPL is recognized in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognised from initial recognition of the receivables.

III. Subsequent measurement - financial liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortised cost using the EIR method (if the impact of discounting / any transaction costs is significant).

c. Measurement –derivative financial instruments

Derivative financial instruments, including separated embedded derivatives are classified as financial instruments at fair value through profit or loss - Held for trading. Such derivative financial instruments are initially recognised at fair value. They are subsequently re-measured at their fair value, with changes in fair value being recognised in the statement of profit and loss within finance income / finance costs.

d. **Derecognition**

The financial liabilities are de-recognised from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. The difference in the carrying amount is recognised in statement of profit and loss.

1.8 Taxes

The income tax expense comprises of current and deferred income tax. Income tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or directly in equity, in which case the related income tax is also recognised accordingly.

a. **Current tax**

The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date. The payment made in excess / (shortfall) of the Company's income tax obligation for the period are recognised in the balance sheet as current income tax assets /liabilities.

Any interest / penalties, related to accrued liabilities for potential tax assessments are not included in Income tax charge or (credit), but are rather recognised within finance costs.

b. **Deferred tax**

Deferred tax is recognised, using the liability method, on temporary differences arising between the tax

bases of assets and liabilities and their carrying values in the financial statements. However, deferred tax are not recognised if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

The unrecognised deferred tax assets / carrying amount of deferred tax assets are reviewed at each reporting date for recoverability and adjusted appropriately.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of Cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the Statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of Cash and cash equivalents.

1.10 Share capital / Share premium

Ordinary shares are classified as Equity when the Company has an un-conditional right to avoid delivery of cash or another financial asset, that is, when the dividend and repayment of capital are at the sole and absolute discretion of the Company and there is no contractual obligation whatsoever to that effect.

1.11 Employee benefits

The Company's employee benefits mainly include wages, salaries and bonuses. The employee benefits are recognised in the period in which the associated services are rendered by the Company employees.

1.12 Provisions

a. General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the said obligation, and the amounts of the said obligation can be reliably estimated.

Provisions are measured at the present value of the expenditures expected to be required to settle the relevant obligation, using a pre-tax rate that reflects current market assessments of the time value of money (if the impact of discounting is significant) and the risks specific to the obligation. The increase in the provision due to un-winding of discount over passage of time is recognised within finance costs.

b. Contingencies

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.13 Revenue recognition

Revenue is recognised when it is probable that the entity will receive the economic benefits associated with the transaction and the related revenue can be measured reliably. Revenue is recognised at the fair value of the consideration received or receivable, which is generally the transaction price, net of any taxes / duties, discounts and process waivers.

1.14 Borrowing costs

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period of time to get ready for its intended use or sale are capitalised. All the other borrowing costs are recognised in the statement of profit and loss within finance costs of the period in which they are incurred.

1.15 Earnings per share ('EPS')

The Company presents the Basic and Diluted EPS data.

Basic EPS is computed by dividing the profit for the period attributable to the shareholders of the Company by the weighted average number of shares outstanding during the period.

Diluted EPS is computed by adjusting, the profit for the year attributable to the shareholders and the weighted average number of shares considered for deriving Basic EPS, for the effects of all the shares that could have been issued upon conversion of all dilutive potential shares.

1.16 Segment Reporting

The Company operates only in one business and geographical segment. Therefore, segment information as per Ind AS-108, 'Segment Reporting', has not been disclosed.

3. Critical accounting estimates and assumptions

The estimates and judgments used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates - even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially

accurate. The changes in estimates are recognized in the financial statements in the period in which they become known.

4. Standards issued but not yet effective up to the date of issuance of the Company's financial statements

The new Standards, amendments to Standards that are issued but not yet effective until the date of authorisation for issuance of the said financial statements are discussed below. The Company has not early these amendments adopted and intends to adopt when they become effective.

Ind AS 102 'Share based payments'

In March 2020, MCA issued amendments to Ind AS 102 pertaining to measurement of cash-settled share based payments, classification of share-based payments settled net of tax withholdings and accounting for modification of a share based payment from cash-settled to equity-settled method.
